

**AIB-Anita Paul Realtime Seminar  
Grant-Funded Weekend Training Opportunity  
Dates: July 30, July 31, and August 1, 2010 (Friday, Saturday, Sunday)**

**Participant Application Form**

**Participation Requirement:** Registration is limited to 15 reporters and preference will be given to currently unemployed official reporters who were displaced due to State judicial cuts (provided that their applications are received before noon on July 20). Any remaining slots will be filled based on the order in which applications are received. Participants will be required to attend all three days of the seminar in order to receive grant funding. Personal information will be collected and maintained by AIB for use in verification of grant spending. AIB anticipates offering this opportunity on two additional occasions between now and summer 2011.

**Notes:** The seminar will run Friday, Saturday, and Sunday from 9 a.m. to 4 p.m. each day with a break for lunch on your own. A total of 18 contact hours are anticipated, and participants will be provided with a copy of NCRA's CE Credit Request form including required presenter signature and program agenda. Participants will apply, at their cost, for NCRA continuing education credits if they so desire. CE Credit application costs (currently \$40 for NCRA members) will not be covered by grant funding. This seminar is designed to improve realtime writing knowledge and skills and is not a software seminar. Reporters should know their own CAT software and be prepared to troubleshoot software issues on their own.

**Recommended Equipment/Supplies:** Steno machine (with power and realtime cords as needed), laptop, reporting software of choice, flash drive (or other dictionary back-up device), notebook, pens/pencils.
