Iowa Court Reporters Association

Dear Chief Justice, Supreme Court Justices, and Mr. Boyd:

The board of the Iowa Court Reporters Association has called an all-reporter meeting for Saturday, April 25, 2009. Official court reporters, freelance reporters, captioners, CART providers, and federal court reporters are coming together to discuss the issue of digital audio recording equipment in Iowa courts. Anticipating some of the questions we may be asked, would you please provide the following information:

Has the digital audio recording study committee been formed?
If so, who is on the committee? If not, when do you anticipate the committee to be formed?
What is the charge of the digital audio recording study committee?
Do you have a timeline for the committee?

As I have indicated before on behalf of the Iowa Court Reporters Association, we would appreciate any opportunity to participate in the solution process.

Regards,

Karen G. Teig
